

## Walk-in Organigramm

Violett = Real events with emotions.

Green = Day dreams with no emotions.

Facts of healing manipulations Tom did to save Tommy's body are artistically mixed up with medicinal cares. No emotions.

Red = Knowledge's/memories taken over from Tommys brain. No emotions.

---

### „Tommy“ – Switzerland

Birth: Death of mother and twin brother

18 months: Father dies in car accident

Adoption

14 years: falls in love with Annie

16 years: Accident

### „Tom“ - Truck-driver USA

Loves freedom  
flat country and  
straight, infinite roads

Feels lonely, owns the truck  
drives 700 to 800 miles/day  
Region of San Francisco

### Bike accident in CH

### UNCONSCIOUS DEATH

### “Tommy” dies

### “ACCIDENT”

BODY IN COMA  
during  
6 months, 2 weeks and 2 days

### Truck accident in USA

### UNCONSCIOUS DEATH

### “Tom” walks-in

**Tom Lives!**

**“Toms” memories of his previous life ‘happened’ to “Tommy” at the age of 14, before the accident:**

**“He sold the truck and came to CH”**

Two years later dies Annie in car accident. Tom is desperate and lonely.  
He tries three times to suicide.

Day dreams of saving people from drowning in the Rhine River.

Friendship with famous country singer John Brack, beginning by eye contact in a stadium.  
JB invites him in his home in USA where he gets the driver license for trucks. He sold the truck and came to CH... Etc. etc.
